WHEREAS, a recent special grand jury report found that Sutter County is facing serious problems with fire protection: outdated equipment, staffing shortages, and unbalanced, inadequate funding streams which impact all County Fire stations and service, including mutual aid to Cities; and

WHEREAS, the county is currently considering cuts to essential public services such as reducing the number of sheriff's deputies patrolling our neighborhoods, closing a fire station, and not replacing aging firefighting equipment, impacting response times for residents countywide; and

WHEREAS, this measure would help provide a steady stream of locally controlled funding to invest in needed upgrades to equipment, fire stations, and retention and training for sherriffs' deputies and firefighters; and

WHEREAS, this measure could help the county fund emergency services, disaster relief and preparing for future emergencies, including preparing for flooding, fires and earthquakes and sheltering victims of disaster; and

WHEREAS, the measure includes fiscal accountability requirements, such as an independent citizens' oversight committee, annual independent financial audits, public disclosure of expenditures, and requirements that all funds remain in Sutter County

WHEREAS, Section 2 of Article XIII C of the California Constitution, section 53723 of the California Government Code, and section 7285 of the California Revenue and Taxation Code authorize the County to impose a general sales tax upon a majority vote of the electorate; and

WHEREAS, pursuant to section 9140 of the California Elections Code, this Board may submit to the voters, without a petition, a measure relating to the enactment of any ordinance; and

WHEREAS, this Board is considering the adoption of an ordinance that would impose, pursuant to the County's taxing authority, a Retail Transactions (Sales) and Use Tax of one cent (1.0%) on transactions in the incorporated and unincorporated County of Sutter in order to generate revenue that will be placed in the general fund to support general County services and functions

- a) To adopt a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285 of Part 1.7 of Division 2 which authorizes the County to adopt this tax ordinance, which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.

- c) To adopt a retail transactions and use tax that imposes a tax and provides a measure therefore that can be administered and collected by the California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Sales and Use Taxes.
- d) To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this Chapter.

105-040 CONTRACT WITH STATE

Prior to the Operative Date, the County shall contract with the California Department of Tax and Fee Administration to perform all functions incident to the administration and operation of this Chapter; provided, that if the County shall not have contracted with the California Department of Tax and Fee Administration prior to the Operative Date, it shall nevertheless so contract and in such a case the Operative Date shall be the first day of the first calendar quarter following execution of such a contract.

105-050 TRANSACTION TAX RATE

For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated and unincorporated territory of the County at the rate one percent (1.0%) of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the Operative Date.

105-060 PLACE OF SALE

For the purposes of this Chapter, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of Tax and Fee Administration.

An excise tax is hereby imposed on the storage, use or other consumption in the County of tangible personal property purchased from any retailer on and after the Operative Date for storage, use or other consumption in said territory at the rate of one percent (1.0%) of the sales price of the property. The sales price shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made.
